
ALABAMA STATE BOARD OF SOCIAL WORK EXAMINERS

Winter/Spring Quarter

January/April 2002

VIEW FROM THE CHAIR

By Cindi Sherrill, LCSW

As the Board begins a new year, we would like to welcome our three new members Marsha Hobbs, LCSW; Laurie French-Barnard, LCSW; and Sallie Watkins, LCSW. They will be attending their first meeting on January 25, 2002 and can look forward to an exciting first year of service.

Not only will the Board continue to address disciplinary issues this year, but prepare for Administrative Code changes/updates and at least lay groundwork for needed changes and revisions in the law. We will likely be scheduled for Sunset Review later this year since our last review was October 1999. Other issues to face in the future are related to electronic practice via the internet and further defining continuing education.

I hope Alabama will continue active involvement in the Association of Social Work Boards (our national affiliation)

Adult Foster Care

By: Fran Huey, LBSW
Regional Social Worker/Education Coordinator
Older Adult Ministries

Most foster homes in Alabama care for abused or neglected children. However, foster care in a family home environment is also one of the best methods of caring for Alabama's vulnerable adults. Many counties across the state of Alabama are in need of adult foster homes to be used as a resource for elderly or disabled adults who may be victims of abuse or neglect or through circumstances beyond their control find themselves in need of a "helping hand". In an effort to meet this need in the state of Alabama, the recruitment of adult foster homes is underway. The State of Alabama Department of Human Resources has joined forces with Older Adult Ministries of the North Alabama United Methodist Churches to recruit and prepare foster homes for adults. Older Adult Ministries is currently seeking part time community recruiters throughout the state of Alabama. Interested parties should send a resume and letter of interest to OAM, PO BOX 611115, Birmingham, AL 35261 or call (205) 833-5111. ❖

and increase participation of our individual Board members on committees and task forces through ASWB. Not only is participation an enriching experience for Board members, but valuable to licensure and regulation in general.

Please continue to contact the Board office regarding questions or clarification of issues. At times you may be referred directly to a Board member to discuss a particular situation, but Brenda and Kim, the office staff can address most questions.

In closing I would like to express gratitude to Traci Treese, Melanie Bankhead and Jerry Satterwhite for their service and hard work on the Board. Remember, there is no compensation for Board members and personal as well as work time is affected when serving. If you know any of these individuals or ever get an opportunity, let me encourage each of you to thank them. ❖

A LITTLE ON THE HUMOR SIDE

Kid's View – Toothbrush Logic

Zachary, a 4 year old, came screaming out of the bathroom to tell his mommy he'd dropped his toothbrush in the toilet. So his mother fished it out and threw it in the garbage. Zachary stood watching his mother all the time thinking about what she was doing, then ran to her bathroom and came back with her toothbrush saying with a smile, "We better throw this one out too then, 'cause it fell in the toilet a few days ago"

Advanced Disclaimer

On the first day of school, a first grader handed his teacher a note from his mother. The note read, "The opinions expressed by this child are not necessarily those of his parents."

Busy Right Now!

A woman was trying hard to get the catsup to come out of the jar. During her struggle the phone rang so she asked her four-year old to answer the phone. "It's the Social Worker, Mommy" the child said to her mother. Then added, "Mommy can't come to the phone to talk to you right now. She's hitting the bottle."

New & Scary Sight

A little boy got lost at the YMCA and found himself in the woman's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover. The little boy watched in amazement and then asked, "What's the matter-haven't you ever seen a little boy before?"

**ASSOCIATIONS 2001 ANNUAL BUSINESS
MEETING VIRGINIA BEACH, VA
NOVEMBER 9-11**

*By: Brenda W. Holden
Executive Secretary*

It's always a privilege to attend the ASWB Meetings. Not only do you get to go to exotic locations: (Virginia Beach – white sandy beaches with wind chill temperatures in the 40's during November), but you get to meet and exchange ideas with other State Boards of Social Work Administrators and Board Members. As representatives for the Alabama Board Jerry Satterwhite and Cindi Sherrill attended; Brenda Holden attended the Administrator Meeting, which is held in conjunction with the Annual Business Meeting.

This year the meeting focused on Board Members' responsibilities, examination issues, and uniform applications for examination and license renewals. FARB (Federation of Associations of Regulatory Boards) made an excellent presentation on Board Members' Ethics, providing attendees a copy of the FARB's Model Code of Conduct. FARB also provided to the attendees a copy of the examination and licensing renewal applications that they are developing to be used as model applications for professional licensing.

The Board is taking the applications provided by FARB into consideration and may utilize them to update the forms we are currently using. ❖

FREQUENTLY ASKED QUESTIONS

- Q.** Does the Board keep up with the continuing education I complete as I get it?
- A.** No, you need to keep records of your continuing education so that you can report the hours at your renewal period.
- Q.** I am a graduate student and I want to use the classes I am currently taking to satisfy my CE. How can this be done?
- A.** First the courses you are taking must be social work related to qualify, if they are, you can send a copy of your grade sheet or transcript showing you have earned the hours. One semester hour equals 15 CE hours.
- Q.** If I turn in my renewal this year with ten extra contact hours, can I carry these extra hours over to my next renewal period and if so, will the board keep track of these hours for me?
- A.** Only 30 contact hours are needed for your two -year renewal period. Anything of excess will not be counted nor saved for any future renewals.
- Q.** I am currently working as a registered nurse in a hospital and we receive a lot of continuing education that is approved by the board of nursing. Can I still turn these programs in for my social work license renewal?
- A.** Yes, these programs can still be used for your license renewal as long as they are social work related. And remember that the board of nursing has 50-minute hours and they also count breaks, social workers do not. So be sure you have converted the hours correctly. (Example: a nursing program worth 7.2 contact hours is only worth 6.0 contact hours for social workers.)

Do you have a change of address?

Please submit all address changes in writing to the Board. You may mail it to our office, fax it in (334/242-0280), or e-mail to: bholden@abswe.state.al.us.

Thank you for your cooperation!

We Couldn't Let Our Board Members Leave Without Showing our Appreciation:

In the 18 years of working for Regulatory Boards I have never found it easy to say goodbye to a Board Member when an appointment comes to an end. I have found it to be even harder with this Board. It has been a privilege for me to work for such a wonderful group of people. I will truthfully miss Jerry, Melanie, and Traci. Their leadership and dedication in their service to the Board has made my job very enjoyable. I would like to thank each of them for all their help and support while I settled into this position.

Here are some of the pictures from the presentation of appreciation being presented by Becky Rigsby.

Traci Garner Treese and Becky

We would like to add special congratulations to Traci and her husband Robbie for the birth of their daughter Katie Margaret, born February 23rd. Although it's hard to say goodbye to dear and old friends it gives us the opportunity to say hello to new ones. The following and on the next page are introductions of our new Board Members selected by you. Please join me in welcoming your new Board Members
